HOW DO I ORDER?

OUR SERVICE MODEL

The success of any partnership begins and ends with customer service.

That's why we supply Canterbury kit via specialist teamwear partners across the UK, who have high-levels of expertise and years of experience working with a range of sports clubs and educational institutions. You will be given the choice of appropriate partners to work with and will also receive support from a dedicated Canterbury Account Manager to ensure you receive quality customer service.

FROM ENQUIRY TO ORDER

Get in touch to let us know you are interested in Canterbury Teamwear.

- Via our online Kit Designer
- Via our online enquiry form
- Via social media (@canterburynz)
- Direct email to teamwear@canterbury.com

Our team will contact you to discuss your requirements.

You will be assigned a Canterbury Account Manager and introduced to a specialist teamwear partner.

The teamwear partner will introduce our product range, generate custom designs and provide quotes.

Once your product selection and artwork have been confirmed, the teamwear partner and your Canterbury Account Manager will place orders, and set up an online shop if required.

120 YEARS OF KNOWLEDGE

We have a vast amount of experience partnering with sports teams from grass roots to elite.

BEST IN CLASS

QUALITY PRODUCT

Tough kit for tough sports. Our products meet the demands of rugby, so we know what it takes for a product to last.

Canterbury products are both match-tested and lab-tested, and we use independent testing houses to assess fabrics and trims for durability, colour fastness, pilling, snagging and lifetime wash durability.

EXTENSIVE PRODUCT RANGE

Our teamwear range consists of playing kit, training and staff / coaching kit, leisure wear, luggage & accessories.

We have a large stock range in a wide variety of colours, plus the option to customise products and create a kit as unique as your team.

SPECIALIST & MULTI-SPORT PRODUCTS

We have a specialist range with sport-specific products, as well as a multi-sport range that is perfect for a variety of sports.

GENDER PARITY

Our teamwear range has 95% gender fit parity across male, female and junior products.

We work with women's teams to develop product that is match-tested and fit for purpose and were the first to develop a women's fit rugby jersey (the 2017 World Cup winning jersey for England Women).

A BETTER IMPACT

RESPONSIBLE BUSINESS

Canterbury has always believed in doing things the right way, ever since its start in 1904. We believe it's our responsibility to do the best we can for sport and our planet. We know transparency is important and you can find out about our Tier 1 suppliers, overall corporate responsibility and efforts to combat modern slavery on our website.

SUSTAINABILITY

80% of the custom product we produce uses a minimum of 75% lower impact materials, and we're aiming to increase this to 100% by 2026. You can find more detail on p.9.

WORLD CLASS TEAMWORK

EXCELLENT CUSTOMER SERVICE

The success of any teamwear partnership begins and ends with customer service. That's why we supply Canterbury kit via specialist teamwear partners across the UK, who have expertise and years of experience working with a range of sports clubs and educational institutions.

RELIABILITY

Canterbury have high levels of stock held in the UK at our 250k sq ft warehouse. This ensures we have what you need when you need it. Our stock availability is consistently in excess of 98% at size level.

We also consistently deliver on time, in full. From design to sign off, our bespoke Made To Order products will be delivered in 4 weeks (UK) or 8 weeks (Europe / Asia), with an average on time in full (OTIF) measure of +95%. For all items held in stock, we can deliver within 3 days to your teamwear partner to be embellished.

ONLINE SHOP PROVISION

We will provide an online shop for your team via one of our teamwear partners.

BRANDED RETAIL OFFERING

Top up your team stash with access to the Canterbury branded retail range.

PLANET-FIRST PRODUCT

Currently 80% of the custom product we produce uses a minimum of 75% lower impact materials. The lower impact materials we use are recycled polyester which significantly reduces our carbon footprint, and organic fabrics which emit less greenhouse gases by avoiding the use and manufacturing of synthetic inputs. We are also committed to making 100% of our garment packaging, both on product (swing tickets) and in transit (plastic bags and cardboard boxes), recyclable or made with recycled materials by 2024.

WHAT IS A SUSTAINABLE PRODUCT?

1. Uses a minimum of 75% lower impact materials (recycled polyester and organic cotton).
2. All packaging is made with recycled content and / or is recyclable (in transit and on product).
3. Uses no harmful chemical finishes or applications.

MADE TO LAST

Since day one, we've built kit that meets the demands of rugby, so we know what it takes for a product to last.

We perform extensive wearer trials and independent lab-tests when introducing new products. Testing on the fabrics and trims includes strength, durability, colour fastness, pilling, snagging and lifetime wash durability.

All of our range can be machine washed at 40 degrees, with 40% of products recommended as only needing a 30-degree wash cycle.

We are proud to have a return rate of just 0.15%.

IMPACT TARGETS

RESPONSIBLE BUSINESS

We ensure that we provide options for sustainable and carbon-reducing methods of moving products around the world. For example, we continue to increase the volume of product that we manufacture at our 100% renewable electric energy powered site in the UK, reducing carbon emissions from air and sea freight.

100%

RENEWABLE ENERGY

We proactively plan our demand to place bulk orders that maximise capacity and efficiency on containers and vessels.

All of our UK offices use 100% renewable energy.

We prioritise working with material suppliers who have accreditations in sustainability, chemicals management and manufacturing.

POSITIVE BUSINESS STRATEGY

We're part of Pentland Brands and contribute to the achievement of their Positive Business strategy, which aims to help 100 million consumers live positive, active, sustainable lifestyles, improve the lives of one million people in our communities and reach net zero by 2032.

VAPODRI

VAPODRI

Our Vapodri fabrics breathe with you, wicking moisture away from your skin to keep you dry, cool and comfortable. So you can keep the tempo high and the opposition on the back foot.

VAPODRI+

VAPODRI+

Innovation perfected. Vapodri+ with adaptive technology reacts to your changing body temperature to ensure you can focus on what matters – performance.

VAPOSHIELD

VAPOSHIELD

Winter sports need winter specific technology. Vaposhield technology adds a water repellent coating to help keep you dry in wet conditions. So you can focus on the competition, not keeping yourself dry.

THERMOREG

THERMOREG

Whether you're on the bench or taking instructions on the training pitch, keeping warm keeps injuries at bay. Our Thermoreg technology helps regulate your body temperature so you're ready for action.

COOLMAX FOOTBED

Option to select with Coolmax® technology to provide additional cushioning for extra comfort with great breathability and fit.

MATCH TESTED

Developed and fitted using fabrics and designs tested on field and in the lab to ensure they meet the rigours of contact sport.

SUSTAINABLE FABRICS

The product uses either recycled or organic fabrics for 75% or more of its composition.

MADE IN THE UK

The product is manufactured in the United Kingdom.

EASY WASH

Product can be machine washed at 30 degrees to be kinder to the environment and your own home energy costs.

PACKAWAY HOOD

Product has a hood which can pack away discreetly into the collar when not in use.

STOCK **V** MADE TO ORDER

STOCK

The product is held in stock to allow for a quick turnaround when you need it fast. Custom details like badges, logos, initials and sponsors can be added using a variety of embellishment techniques.

MADE TO ORDER (MTO)

The product is customised to the order specification. With a wide choice of colour, design, sleeve and collar types, there are lots of options to make sure you get the kit you want.

MTO products are available using cut & sew dyed fabrics or sublimation.

SUBLIMATION

Sublimation is a type of direct printing on fabric, which allows for a more intricate graphic design to be applied to a garment – great for a crisp, detailed print that stands out on field.

Specific Pantone Colours are available, which means a true colour representation to your team. Colours are on the outside, whereas the inner is white.

Team crests and the Canterbury logos are printed on the product as part of the sublimation process.

CUT & SEW DYED

Create interest on your team kit through dynamic panel styling and fabric construction. Mesh and non-mesh fabric panels are sewn together and available in over 20 Canterbury standard colours. The fabric is the same colour inside and out.

Team crests and the Canterbury logos are applied by hardwearing embroidery or printed heat transfers.

CLUB JERSEY - FEMALE

Sizes: 6, 8, 10, 12, 14, 16, 18

Overview:

- Led by innovation from our 2018-19 season crossover crew neckline the Club Jersey is on field durable at all levels of the game. With an offset raglan sleeve construction for maximum freedom of movement for that last second offload and on field tested neckline to deal with any tackle, its a must have for any player season after season.

Feature:

- Vapodri finish to keep you cool and comfortable whilst training on pitch
- Dropped back hem and inset raglan sleeves to maximise freedom of movement on the field
- Our Loop Zero neckline construction used for elite teams and strength tested to exceed our Canterbury benchmarks
- Regular straight fit
- Durable fabrics used by players at the highest level of the game
- Built to last on field in both fabric and construction

EMBELLISHMENT GUIDE

RUGBY

These are our recommendations for where you can add logos on your jersey – if you have any questions please ask your teamwear partner.

Canterbury logo should be on the right chest

Team logo should be on the left chest

A sponsor can be applied to the right arm

A sponsor can be applied to the left arm

Main sponsor logo will be central to the front chest

If desired, a name or sponsor can be applied above the number

The number will be applied centrally to the back of the garment

A secondary sponsor can be applied below the number if required

DESIGN INSPIRATION

TRAINING & LEISURE – CUT & SEW

For our MTO training and leisure ranges, we have 5 designs that can be applied across all product types, using our standard cut and sew Canterbury colours. What will you create?

↑ Pride

↑ Sequel

↑ Classic

↑ Radium

↑ Legacy

The Legacy chest panel can also be sublimated on the Track Jacket and Midlayers, allowing for custom designs and specific Pantone Colours.

CUT & SEW DYED

Create interest on your team kit through dynamic panel styling and fabric construction. Mesh and non-mesh fabric panels are sewn together and available in over 20 Canterbury standard colours. The fabric is the same colour inside and out.

Team crests and the Canterbury logos are applied by hardwearing embroidery or printed heat transfers.

Contact your teamwear partner for more information, plus additional sublimation options on select products / designs.
