3 Year Limited Warranty

This limited warranty protects the original purchaser should the fabric become unserviceable due to color or strength loss from normal usage and exposure conditions, including sunlight, mildew and atmospheric chemicals. The limited warranty coverage period is three years from the date of original installation. This limited warranty covers the fabric only. This limited warranty is valid with proof of purchase from the original purchaser. This limited warranty does not cover normal fabric care and cleaning; damage from misuse, abuse, or improper installation; the costs associated with replacement of the fabric, including labor and installation.
