FOGARTY
WINE GROUP

This Wine List features our Millbrook wines, as well as a selection of wines from Deep Woods Estate, Margaret River; Smithbrook, Pemberton; Lake's Folly, Hunter Valley; and Tasmanian Vintners, Tasmania.

The wineries form part of the family-run Fogarty Wine Group which has an outstanding portfolio of wine brands across six different regions of Australia.

Millbrook's flagship varieties are Viognier and Shiraz. The estate-grown Millbrook Viognier and Shiraz Viognier consistently rate as some of the best wines in Australia.

MILLBROOK REVIEWS

Millbrook 2021 Estate Viognier

Viognier is one of the key varieties for Millbrook and it's got a good reputation. It has all the Turkish apricot, red apple, orchard blossom, frangipani and honeysuckle characters that we associate with viognier, but it also has a mineral seam of acidity that scrapes through the wine, keeping it fresh and lively. It's a beautiful wine, again.

Rating 95 James Halliday

Millbrook 2022 Regional Fiano

A variety that works so beautifully in many parts of WA, especially Margaret River in an excellent season such as this one. It's nutty and creamy with a light tropical fruit character and a trace of freshly squeezed lime juice. A smooth finish of honey adds further richness to complete the palate.

Rating 92 Ray Jordan

Limited Release Pedro Ximénez NV

Super-fresh, unctuous, and clean as a whistle. Very sweet and quite beautiful, but perhaps lacking in the weight of concentration and intensity that would elevate it overall. The highlight is undoubtedly its freshness.
