

## Quad Templates

**Quad 1** - Combination profile of 6'-9'-12'-15'. Acceleration, manoeuvrability, speed, and balance are optimized. The best total solution. This combination supports all types of situations and is suited for elusive players 29' offensively/defensively. Size of holders 254-263-272-280.

**Quad 2** - Combination profile of 7'-10'-13'-16'. Same as Quad 1, but it adds more stability and speed. Size of holders 263-272-280-288-296.
