

PLANNER BOOSTER SHEETS

Your plans are never ending and I'm here for all of them. These Booster Sheets are designed to boost up your planning power. Print it, plan it and profit!

This printable includes the following Booster Sheets:

1. A daily schedule to plan out a specific event by the hour (Ex. Launch day)

HOW TO USE:

1. Save and print the PDF.

For best results, print as 'Fit to Page'. You can print as many copies as you need for each month.

2. Cut each page in half.

Using scissors, split the page in half to fit in your Content Planner.

3. Attach to your Dreamspace.

Using tape, glue or a paperclip, place your booster sheet in your Dreamspace spread. Done!

As always, I'm here to help. If you have any questions, please reach out and email me!
