

FreezeFreeHose[®]

New Solid State Design

Thank you for purchasing the newly designed FreezeFreeHose[®].

At above freezing temperature your FreezeFreeHose[®], with power applied, may not feel warm to the touch. Your FreezeFreeHose[®] was tested for proper heat operation and leaks, prior to shipping. The solid state control will not allow your FreezeFreeHose[®] to overheat the water. Do not insulate the plastic wye head assembly.

**For faster warranty process do not return to the store where purchased.
