

ACTIVITY: MAJOR MINOR QUEST

Practice building both major and minor chords on these root notes.

WAYS TO PLAY:

- Close your eyes and point. Build a major and then a minor chord on that root note. Repeat!
- Roll a dice, move across the board, then build a major and minor chord based on that root note
- Hint: Remember, some minor chords (Am, Em, Dm) use all white keys. Count half steps to build your chords – don't rely on the color of the keys!
- Practice playing just major and minor thirds on that root note.
