

3D Artist

The Accolade Group's suite of clothing lines include Levelwear, Kewl, and Salute. We provide a high quality, on-trend sportswear & leisurewear for Golf, NHL, NBA, NCAA & CFL, just to name a few.

Our Creative Team is looking for a talented 3D Artist who also has experience as a Videographer/Editor to help support our multi-media needs and can create contemporary, on trend graphics and videos for both social media and corporate presentations. We are looking for somebody who is a true individual and artist, that has a good understanding of the fashion and sportswear world, and whose style can adapt to be relevant in each brand. This role reports directly to the Graphic Development Manager.

Skills

- Proficient knowledge of Maya and/or 3DS Max
- Proficient knowledge of Adobe Premiere Pro, Adobe After Effects, Final Cut Pro and Adobe Photoshop

- Knowledge of 4K and HD DSLR videography and various lenses
- Experience with sliders, gimbals and jibs
- Knowledge of lighting
- Experience with sound and recording
- Knowledge of post production editing and effects

Responsibilities

- Create 3D title treatments and elements
- Keep up to date on styles and trends in athletic wear
- Work with the Creative Team as to the look and feel of each project
- Attend photoshoots and capture behind the scenes footage as well as predetermined footage
- Creatively film and capture featured garments in studio
- Edit footage into small vignettes suitable for social media and corporate functions

All applicants must provide a link to previous work or a demo reel.

Annual Salary: \$50,000
