

Web/Graphic Designer

The Accolade Group's suite of clothing lines include Levelwear, Kewl, and Salute. We provide a high quality, on-trend sportswear & leisurewear for Golf, NHL, NBA, NCAA & CFL, just to name a few.

Our Creative Team is looking for a talented Web Designer that can create modern, clean, functional, on brand web sites. We are looking for somebody who is a true individual and artist, that has a good understanding of the fashion and sportswear world, and whose style can adapt to be relevant in each brand. This role reports directly to the Graphic Development Manager.

Skills

- Familiar with Shopify and the Liquid design base
- Proficient with CSS, HTML5 & Javascript
- Knowledge of DSLR photography and lenses
- Advanced knowledge of Adobe Photoshop and photo editing
- Advanced knowledge of Adobe Illustrator

Responsibilities

- Creating and maintaining websites for each brand
- Work with Creative Team and Product Managers as to the look and feel for each site
- Photographing and prepping garment images for each website
- Strong design sensibilities
- Helping the Creative Team with other projects when needed.

All applicants must provide a link to a portfolio of both graphic and web designs

Annual Salary: \$40,000
