# SEMI SWEET CHOCOLATE TOFFEE

Semi Sweet Chocolate Toffee is our original recipe. It has whole roasted almonds in the middle and each side is coated with chocolate & dusted with walnuts.

# ALL ALMOND TOFFEE

All Almond Toffee was created from a customer's suggestion! This is just like our "original" Semi Sweet Chocolate Toffee with crushed almonds on the outside instead of the walnuts.

# DARK CHOCOLATE SEA SALT TOFFEE

Dark Chocolate Sea Salt Toffee is a great option for those with "nut sensitivities". It is coated on both sides with dark chocolate and dusted on the top with sea salt.

# DARK CHOCOLATE TOFFEE

Dark Chocolate Toffee is a crowd favorite. It too has whole roasted almonds and crushed walnuts. The dark chocolate really enhances the roasted flavor making this toffee on the savory side of the sweet aisle.

# CLASSIC WHITE PISTACHIO

Classic White Pistachio is new and will be a limited addition this Holiday Season.
