# Choosy Clock

Learn to read a clock, tell time, strengthen math skills and discuss healthy habits with this do-it-together Choosy clock! Encourage young children to discuss healthy habits like, “Choosy loves to start his day with a healthy snack. Using the clock, show Choosy what time you wake up. What healthy snack do you like to eat for breakfast?”

Materials: Printable templates, crayons, scissors, paper plate, marker, craft knife, hole puncher, paper fastener

Estimated Time: 30 minutes

## Step 1

Print, color, and cut templates. The FREE template is available to download at [choosykids.com](http://choosykids.com).

## Step 2

Cut the paper plate edge off to make a flat circle.

## Step 3

Attach Choosy's face and hands to the paper plate.

## Step 4

Use a hole puncher to add holes to the bottom of the clock hands.

## Step 5

Use a marker to add the numbers on the clock's face.

## Step 6

Use the craft knife to cut through the center of the paper plate. Thread the hands through the paper fastener and attach the hands to the paper plate.

## Step 7

Use Choosy's printable cards to help Choosy find the correct time.
