

# ATLAS FLEX-BLOCK™ SALT LOUNGE

Cradled in healing comfort, spa guests experience the nourishing, replenishing benefits of Himalayan salt while relaxing on the heated, ultracomfortable Atlas Flex-Block Salt Lounge.

Derived from the Primal Sea, pure pink Himalayan salt is one of the Earth's oldest healing elements. Your clients will benefit from Himalayan salt's healing power, sought-after to improve respiratory function, soften skin and provide stress relief.

Client lays directly on our innovative flex-top surface – Himalayan salt tiles that cushion and give way with the body for a comfortable, cradling feel.

With remote control, electronic lounge moves easily from upright to zero gravity position to provide such benefits as back and muscle pain relief and more.

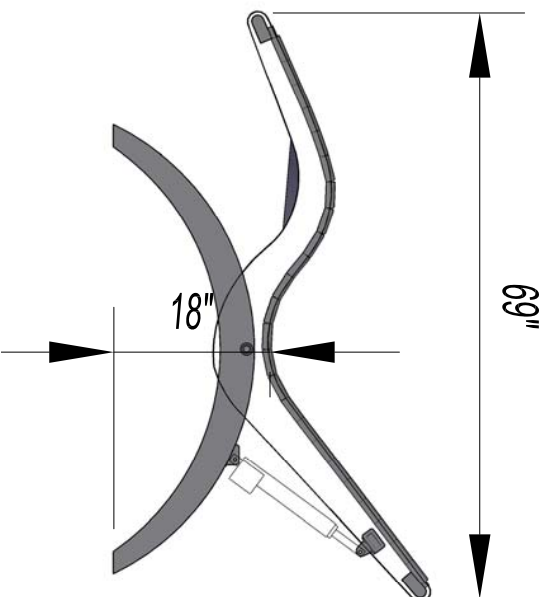

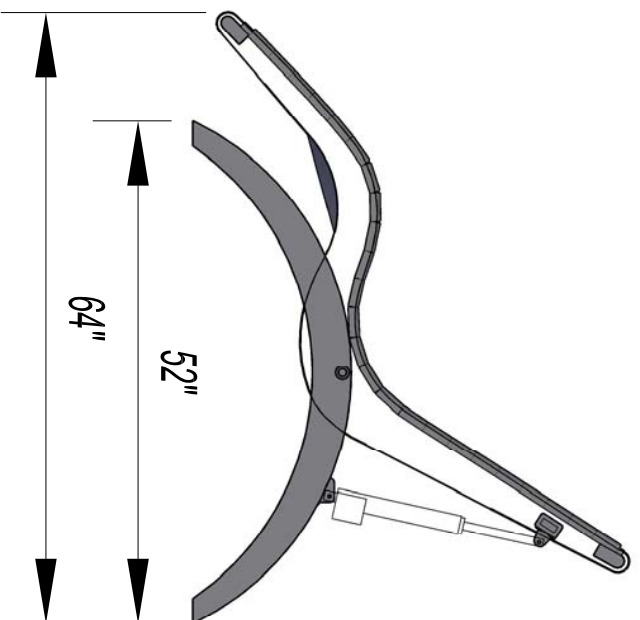

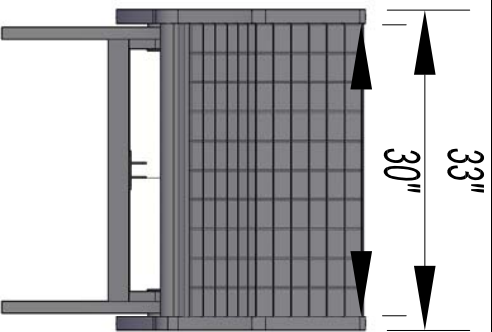

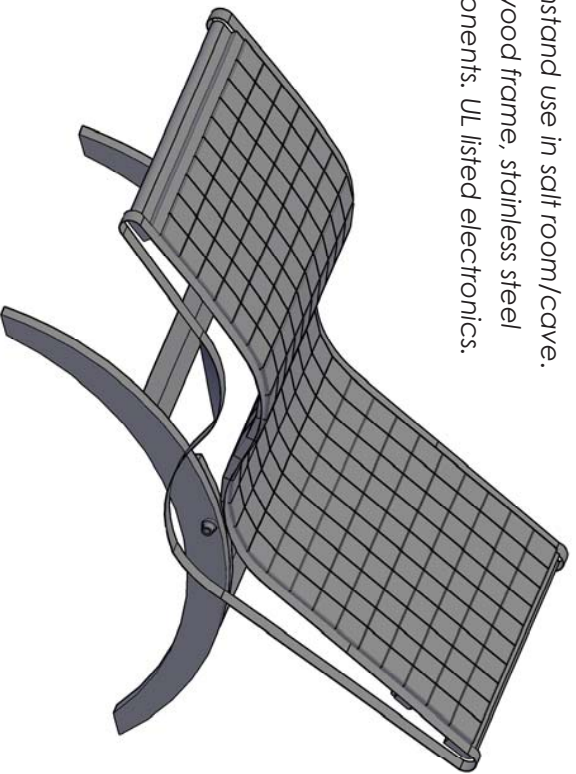

Waterproof heater warms the salt tiles to release negative ions and clean the air, improving breathing and allergy problems, decreasing anxiety, improving sleep and more.

Easy to clean. Simply spray and wipe down with Decon 30, our EPA-registered disinfectant.

**Pre-selling now for March 2017 release.**  
**Available for \$5399 (motorized, with remote control)**  
**at [professional.saltability.com](http://professional.saltability.com) or 888-241-2095.**
