

ATLAS FLEX-BLOCK™ SALT TABLE

An easy-to-use and ultracomfortable system to deliver the healing properties of salt, our Himalayan Salt Flex-Block™ bed allows spa guests to lie directly on a solid surface of salt.

Salt is one of the Earth's oldest healing elements with recorded accounts of its therapeutic use dating back to 1600 BC. Your clients will benefit from the healing power of Himalayan Salt, sought-after to improve respiratory function, soften skin and provide stress relief.

The Atlas Salt Table can be used for massage and body treatments, or on its own for relaxation and rejuvenation. *Unlike granular salt beds, the Atlas Salt Table is easily sanitized with an eco-cleaner before each treatment.*

Revolutionary Features

- Top-grade Himalayan Salt blocks on a flexible surface – comfortable, soothing, and elegant
- Manufactured from sustainable material, including natural salt and bamboo that are ideal for “green” spas
- Motorized height adjustment, making it easy to get on/off and comfortable for the therapist
- Ergonomically-designed with no walls or sides to climb over or reach around
- Lightweight, removable padded top converts the Atlas Salt table to a traditional massage table with face cradle, making the treatment room available for full-time use
- Convenient warming drawer for products, tools and towels
- Drip tray below Salt Table to protect motors, frame and floor (easy to remove and clean)
- Storage drawer in addition to warming drawer
- Ideal for in-treatment or stand-alone use

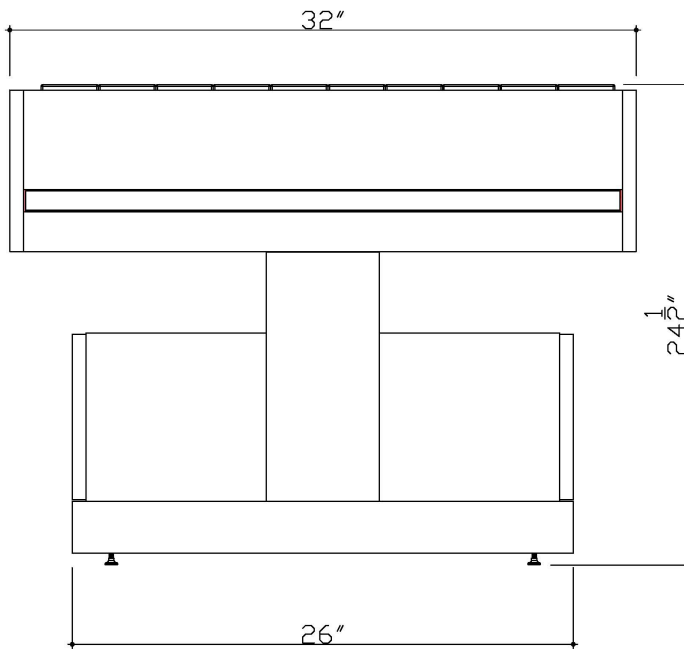

Convenient cleaning drawer allows you to sanitize the table between treatments.

Professional-grade heater rests beneath the salt, providing 10 degrees of warmth above the room's ambient temperature.

Warming drawer keeps towels and heat-transferring products warm and ready.

Specifications

- Size: 32" x 82"
- Massage Converter Top Size: 33.5" x 83.5"
- Height Range: 24.5" to 34.5"
- Dual-Pedestal Motor Lift System
- UL-Recognized Electronics
- Lift Capacity: 500 lbs. / Static 1000 lbs.
