Clause No.: Q009
Effective: March 27, 2021
Page: 1 of 1

EVIDENCE OF DIMENSIONAL INSPECTION

Seller shall provide objective evidence, with each shipment, that the deliverable Goods conform dimensionally to contract requirements.

Objective evidence records shall at a minimum include;

- a) Buyer's contract number.
- b) Part number and revision.
- c) Serial number(s) and / or lot number(s) as required by drawing / specification / contract.
- d) Actual dimensions recorded during inspection.
- e) Required dimension and its tolerance.
