

MATERIAL SAFETY DATA SHEET

1. Identification of the substance

Product name: Brow Cleanser (Henna)

Product Use: Eyebrow Cleanser

Revision Date: 24 Jan 2019

2. Composition/information on ingredients

Ingredient Name	Percentage (%)	CAS No.
Aqua	85.50	NA
Propanediol	5.20	504-63-2
Sorbitan oleate decylglucoside	4.20	1227096-09-4
Glycerin	4.00	56-81-5
Sorbitan caprylate	0.60	60177-36-8
Lactic acid	0.30	50-21-5
Benzoic acid	0.20	65-85-0

3. Hazards identification

Inhalation: No side effect on inhalation

Ingestion: If swallowed, intake lots of water and vomit. No side effect on ingestion

Skin Contact: No irritation or such type of effect if in contact with skin

Chronic Exposure: No Chronic exposure

Eye Contact: Wash eye with lots of water.

4. First aid measures

Eye contact: Check for and remove any contact lenses. In case of contact. Immediately flush eyes with plenty of water for at least 15 minutes. Get medical attention if irritation occurs.

Ingestion: Do NOT induce vomiting unless directed to do so by medical personnel. Never give anything by mouth to an unconscious person. If large quantities of this material are swallowed, call a physician immediately.

First Aid Facilities: Work cover recommended first and facilities appropriate to the size of the workplace.

5. Fire fighting measures

Extinguishing Media: Water spray or fog, foam, dry chemical powder, carbon dioxide.

Hazards from combustion products: This mixture is not combustible under normal conditions. However, it will break down under fire conditions and the hydrocarbon component will burn. In a large fire, heating may produce toxic fumes containing carbon monoxide, carbon dioxide and sulphur dioxide.

Personal protective equipment : Fire fighters to wear self-contained breathing apparatus and suitable protective clothing.

6. Accidental release measures

Emergency procedures: Slippery when spilt. Avoid accidents, clean up immoderately, wear personal protective equipment during cleanup.

Methods and materials for containment and clean up: Contain spill to prevent contamination of drains/ waterways. Use absorbent material such as sand or

6. Accidental release measures *(continued)*

earth. Collect and seal in properly labeled containers for disposal in accordance with local regulations. Wash area down with water to remove residual material.

7. Handling and storage

Precautions for safe handling: Avoid direct eye contact. Follow product label instructions.

Conditions for safe storage: Store in original containers in a cool (below 30 degrees Celsius), dry, well ventilated area and out of direct sunlight. Store away from oxidizing agents (such as chlorates and nitrates), foodstuffs and foodstuff containers.

Storage incompatibility: None known

8. Physical and chemical properties

Appearance: Translucent

Physical State: Liquid

Ph: 3.5 to 4.5

Melting Point/ Range: No data available

Boiling Point/ Range: 72°C / 161.6°F

Flash Point: Not applicable

Evaporation Rate: No data available

Flammability (solid, gas): No data available

9. Stability and reactivity

Use before 24 months from the date of manufacturing

Chemical Stability: Stable under normal conditions.

Conditions to avoid: Excessive heat and direct sunlight

10. Toxicological information

Acute Toxicity: No data available

Skin contact: No harmful effect

Eye contact: Temporary discomfort possible

Inhalation: No harmful effect expected

11. Ecological information

Avoid contaminating waterways

12. Disposal considerations

Waste disposal: Dispose off by incineration or burial in an approved landfill in accordance with Commonwealth, State and Local Government regulations.

13. Transport information

Special Shipping Information: The product does not constitute a hazardous substance in national/ international transport regulations.

14. Regulatory information

FOLLOW LOCAL REGULATIONS ON BIO DEGRADABLE MATERIALS

15. Other information

This data solely describes the relevant safety data for the product/ the preparation and are based on our present knowledge. However, they shall not constitute a guarantee for any specific product features and shall not establish a legally valid contractual relationship.
