*awake again in some place strange but familiar all the same?
harken the stubborn child who sang -*

*~in the day it's safe to play and time goes back to yesterday
and tomorrow bleeds little today's and in their marrow is born
tomorrow and every day will be NOTerday and isn't it
fun hahahaha to play all our days away and awayyy~*

and away...

梦境迷宫

*trapped in a
dream maze*

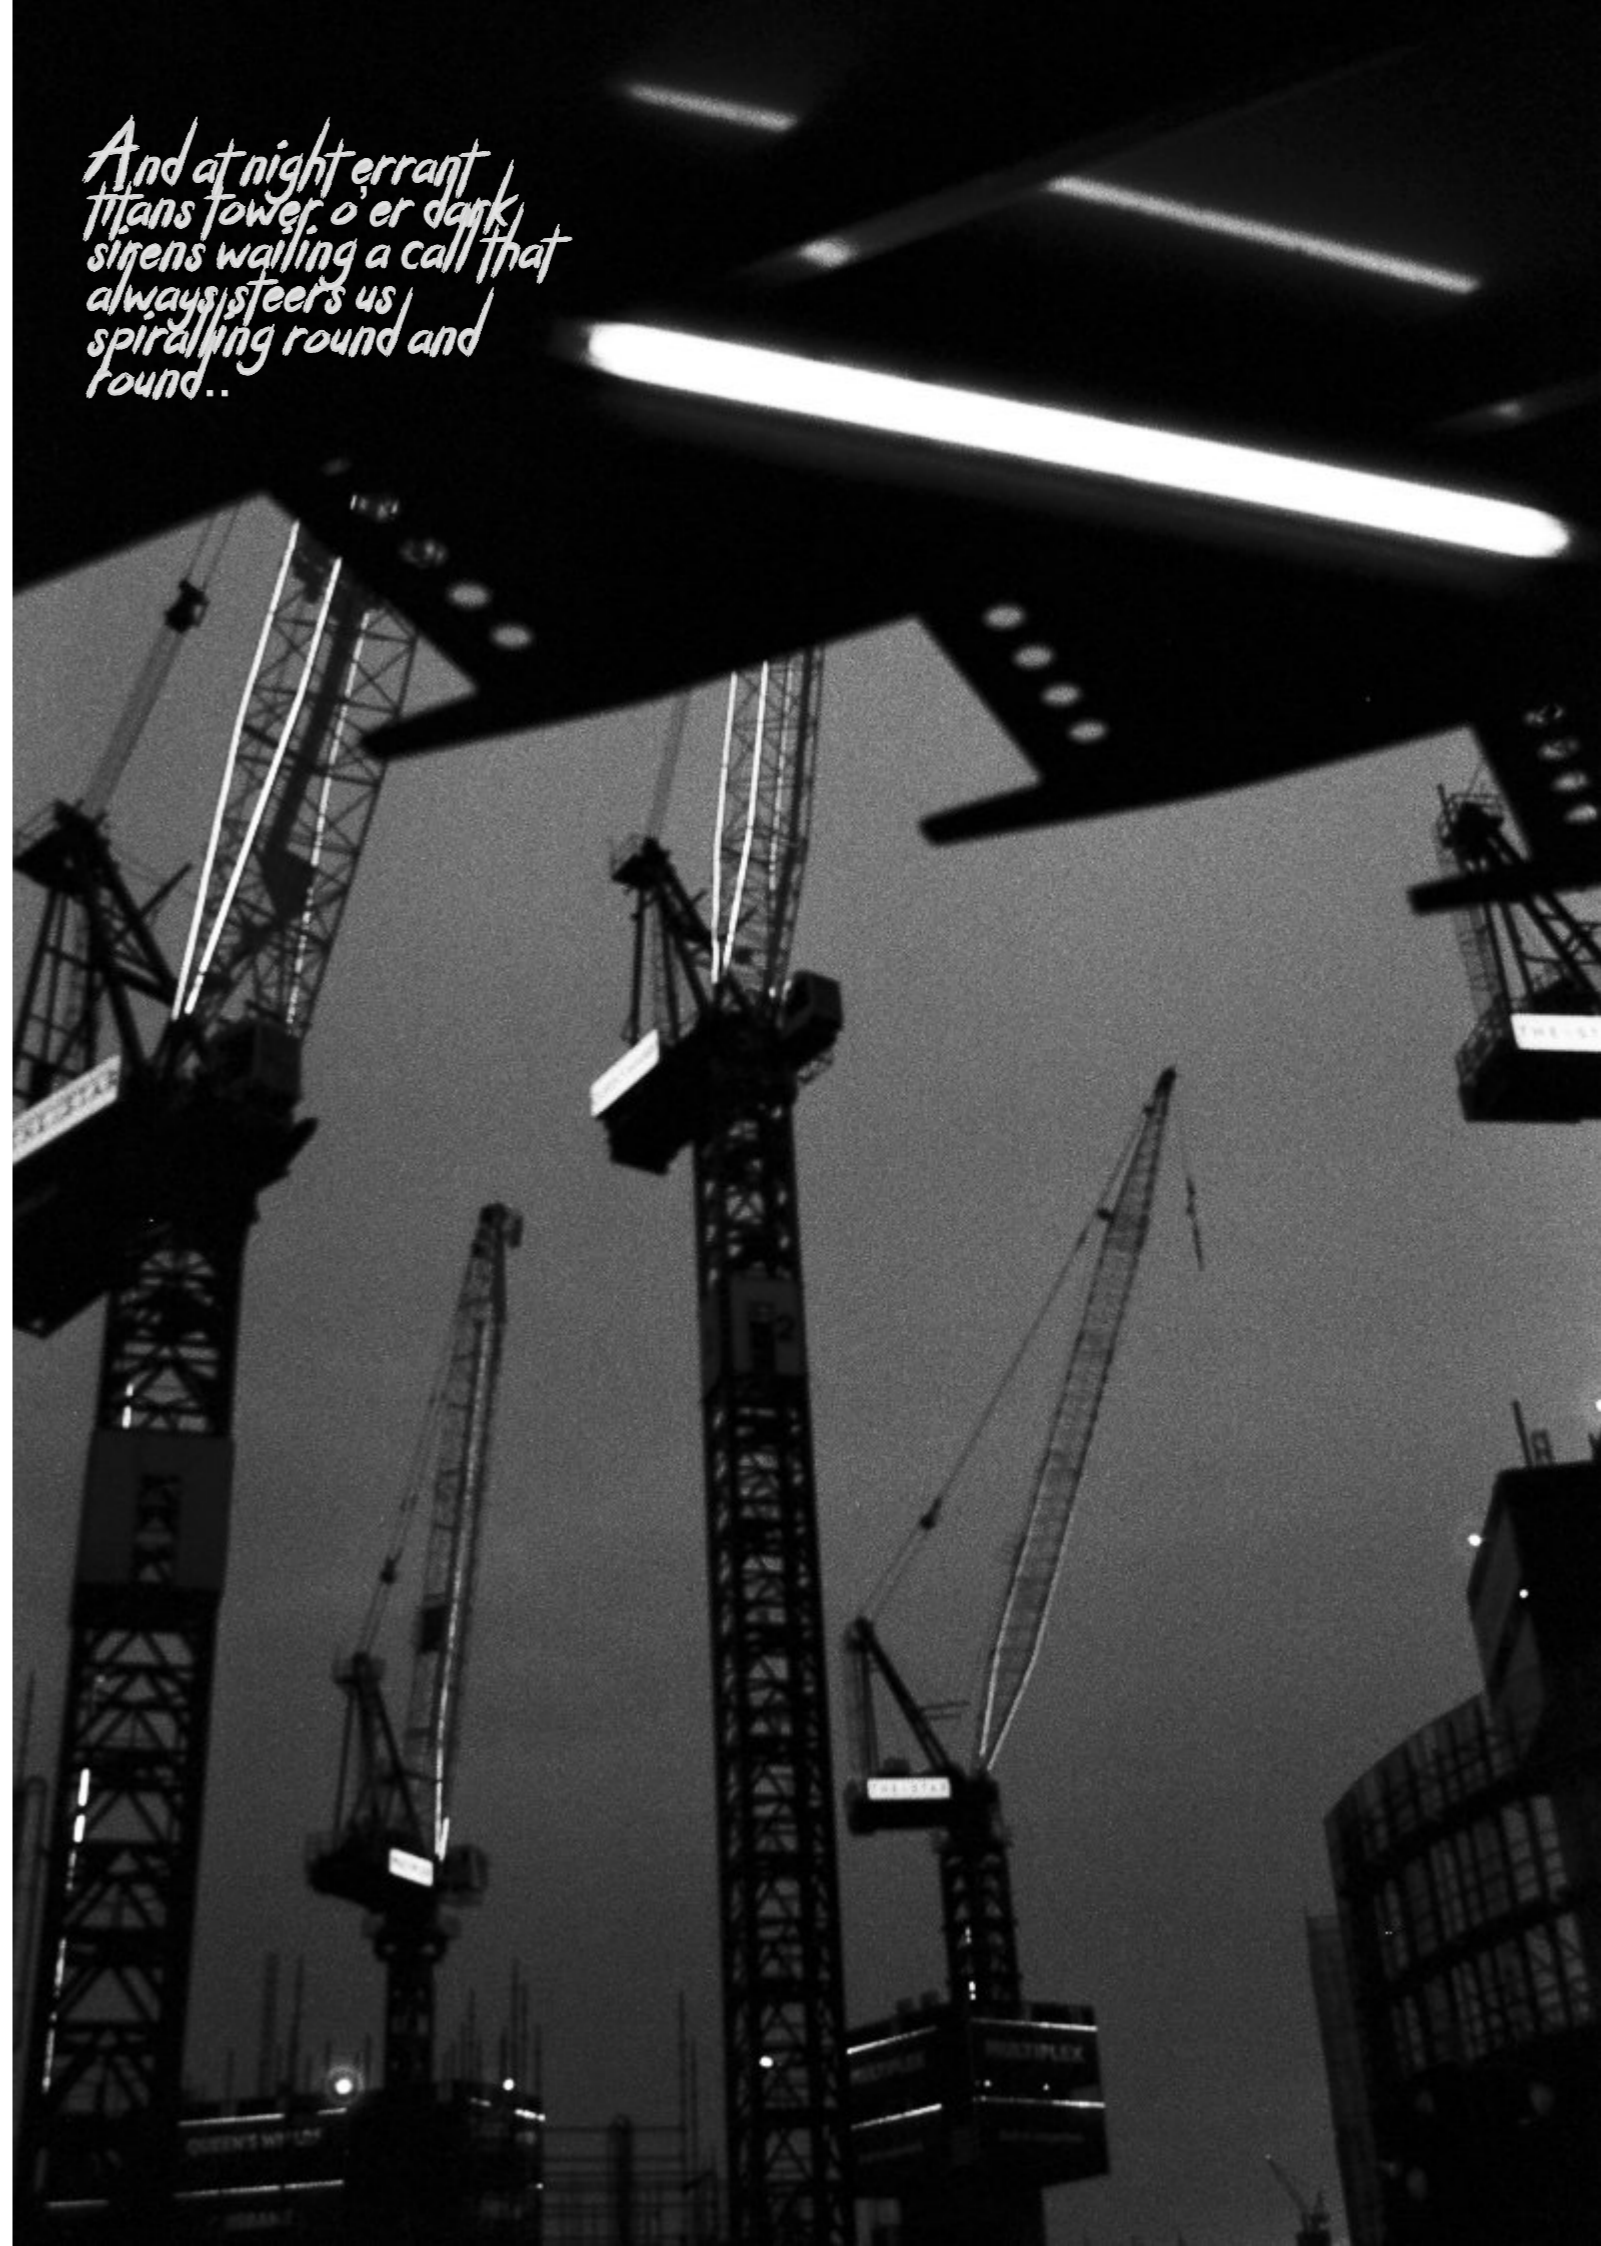

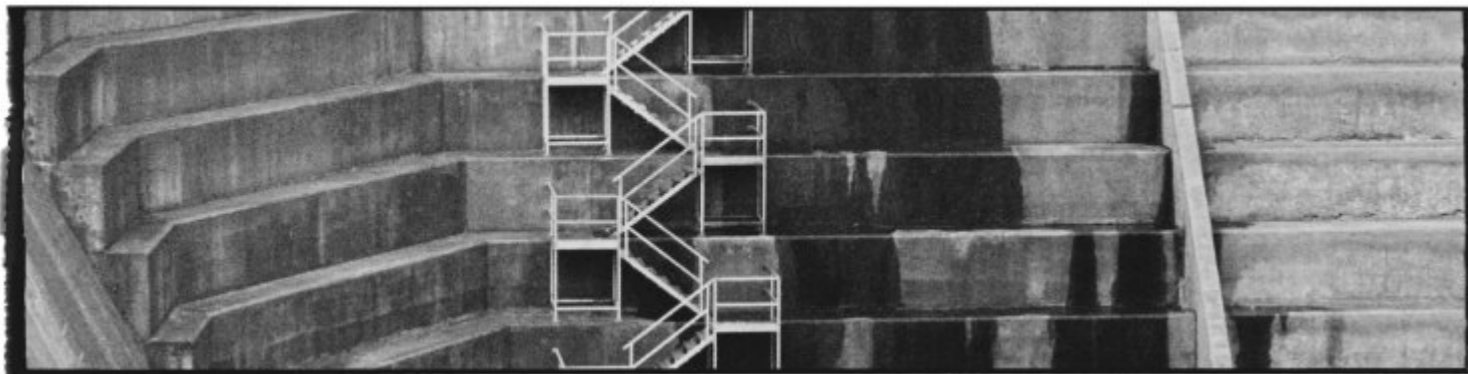

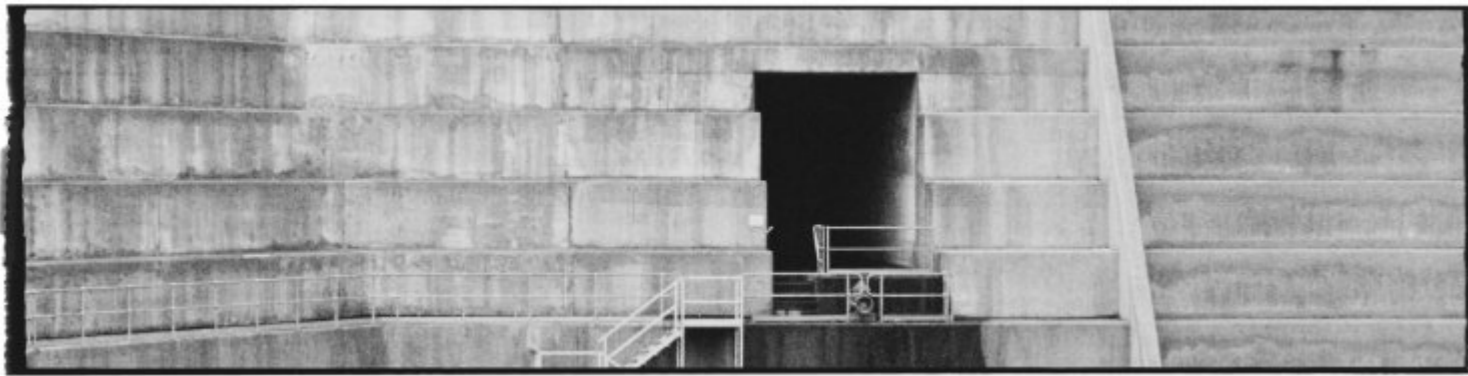

and just when do you think you are?

反思反射

*And at night errant
titans tower o'er dark,
sirens wailing a call that
always steers us
spiralling round and
round..*

and the only way they say is
out is to keep wandering
straight **DOWN**

Il y a mille ans, nous serons sauvés, et ce qui ne peut être évité, le sera

*and in such Leviathan depths even
a dream may drown*

*i think i am coming to.. but what if
it is not I the dreamer?*
