SMMA1042 Features

- Aluminum Construction provides a more slimline, lighter, more modern look
- Built-in Spring Tension Gauge to assist in install
- Detachable VESA Plate enables easy installation
- Freely Adjusting Height for finding an optimal ergonomic position
- Cable Management to help keep everything organized
- Ideal for offices, homes, public areas, industrial settings, production lines and many more
- Both screens can be rotated 360 degrees so portrait and landscape can be achieved on the same arm.
- Free-Tilting Design: makes easy forward or backward adjustment for better viewing and reduced glare
