1000NK-N - \$55.60  
1 LITER (33.8 OZ)  
3.75 X 5.5 X 11

**P** LID, GASKET

## What is **agion** ?

Agion is an antimicrobial technology that has been shown to reduce microbial growth. Why is this important? It keeps bacteria from growing, ensuring the safest carafe possible when dispensing dairy products.
