SERVING THE FOOD INDUSTRY SINCE 1951

9-INCH BLADE SLICER

ITEM: 41710 MODEL: MS-CN-0220-C

The Model MS-CN-0220-C Omcan slicer is an ideal tool for low volume operations while offering exceptional cutting consistency and durability. The carriage moves smoothly on ball bearings allowing effortless cutting of deli meats and vegetables. The high carbon steel 9-inch blade is hard chromed, with a hollow ground taper for extended sharpening and blade life. This Omcan slicer is designed for easy removal and disassembly of parts for easy cleaning. The MS-CN-0220-C features a blade lock for added safety during disassembly. The simplistic design and operation makes it perfect for restaurants, coffee shops, and home kitchens. Comes with a one-year parts and labor warranty.
