Manufacturer :

## DESIGN

Traditional Rotisserie with powerful lighting system.  
Porcelain Enamel finish with choice of color available.  
Decorative roof with lighted rotisserie sign.

## COOKING SYSTEM

8 spits.  
Each individual spit has its own unique burner for a constant and fast cooking time.  
Adjustable spits allow to cook any type of products from chicken to turkey, lamb, beef and vegetables.  
A variety of attachments are also available such as basket spits and chicken spits.  
Our rotisserie ingenious spit adjustment guarantees a perfect cooking regardless of the size of the product.  
Individual motors.  
Manual pilots.

## CLEANING

Easy to clean and safe to maintain.  
Removable back / burner panels.  
Splash guard for each burner.  
Removable burner panels, rounded corners.  
Drain valve.

## PERFORMANCE

Porcelain enamel finish and individual burners provide the best cooking system for poultry.  
Fast and consistent from 32 to 40 chickens capacity in less than an hour.  
The unique individual burner system provides exceptional control and unmatched durability.  
The porcelain enamel guarantees a non stick, most durable surface.  
Patented prong-less spits.  
Enameled burner panels.
