SERVING THE FOOD INDUSTRY SINCE 1951

HEAVY-DUTY STAINLESS STEEL SAUSAGE STUFFERS - DIRECT DRIVE

Item: 44203 / 44205

Making sausages in-house gives you the best quality at a low cost. Enjoy the privilege of being able to fully control the production process, choosing your favorite type of meat, fat and spices and turning your one of a kind sausage into a signature dish.

Authorized Dealer

- Offers dependability for a variety of residential and commercial applications
- The aluminum gear-box and two steel bars create a more sturdy frame
- Safer and more sanitary structure by covering all gears with the gear box
- Prevents the abnormal wear of the gears if the frame and threaded rod are not aligned up well
- Comes with 3 plastic stuffing tubes
