Authorized Dealer

**Features**

- Fully manufactured in frosted stainless steel.
- Fully industrial use, ideal for slaughterhouses and / or farms.
- Its butterfly handle system allows you easy access when tightening the pulley, which in turn pulls the band saw so that it is not disqualified.
- The table consists of a piece of stainless steel; equipped with four wheels that run on a rail for better handling and cutting of meat.
- It has a sliding arm with instant blocker, which can be placed in any desired position to select the thickness of the meat as desired.
