

SPECIFICATIONS:

RAVIOLI MAKERS

IRM-M & IRM-A

The Italiana FoodTech Ravioli Maker is available in both a manual, or automatic version. On the manual machine, the dough is fed through the machine with a hand crank, the automatic version does it all with the push of a button. With seven high quality ravioli molds to choose from, these ravioli makers produce pasta in a selection of different sizes and shapes to suit your needs and tastes.

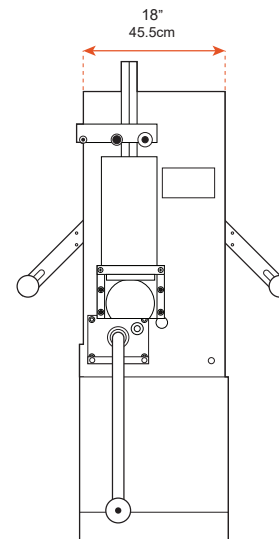

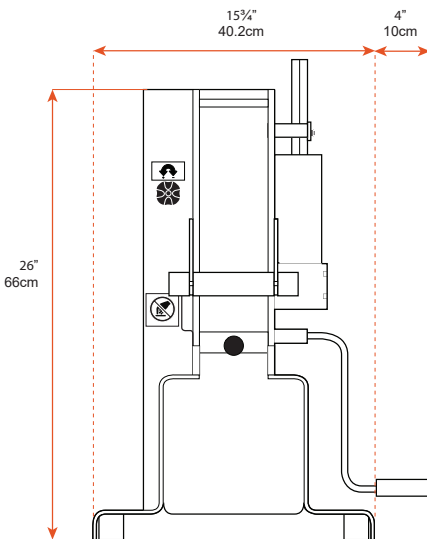

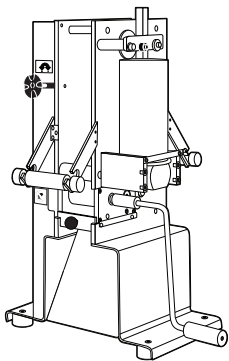

FEATURES:

- Made in Italy
- Make 50 to 150 ravioli per minute
- Easy to clean stainless steel surfaces
- Capable of producing a large variety of ravioli shapes.
- Very easy to use, just pick your dough and your filling, and go!
- Available in both a manual hand cranked version, and electric powered versions
