15MC

18MCP

DESCRIPTION

Star's Hot Food Merchandiser is the best way to serve your pizza and other menu items. Heats and serves product in convenience stores, snack bars, recreational facilities, fun centers, theme parks, restaurants, taverns or wherever you might want to serve the time starved consumer.

SPECIFICATIONS

Star's Hot Food Merchandiser is constructed with heavy duty aluminum corner posts and a 3/16" thick tempered glass door. Unit incorporates a glass door with full length handle to stand up to commercial use. 15MC units are supplied with a 100 watt incandescent light. Equipped with a 500 watt heating element and infinite temperature control. 18MCP units are supplied with two 60 watt incandescent lights. Equipped with two 65 watt heating elements and two infinite temperature controls. A 6' lead in cord and NEMA 5-15P come standard with unit.

WARRANTY

These units come with a one [1] year warranty for parts and labor.

FEATURES

- Star's Hot Food Merchandiser is perfect for merchandising pizza and other menu items in 15" or 18-1/2" of counter space
- Adjustable infinite temperature controls for each shelf allow you to adjust your day part menu up to 180°F as your product needs demand
- Plastic top allows application of attractive colorful "Fresh & Fast" graphics to enhance your grab and go impulse sales for the time starved consumer
- Thermometer is located on the interior side of the unit for easy reading of cabinet temperature
- Bottom control panel houses ON/OFF switch and individual temperature control knobs for each shelf

15MC Models

- Forced air system circulates air throughout the cabinet keeping your menu items at proper serving temperature.
- Three perforated shelves (12-1/4"W x 12-3/4"D) easily adjustable to flat or angled positions for displaying a variety of day part foods
- One 100 watt interior incandescent light "showcases" products and builds impulse sales

18MCP Models

- Two 65 watt individually heated stainless steel shelves (17-1/2"W x 17-1/2"D) easily hold 16" pizzas, keeping them at proper temperature to serve hot, fresh and fast
- Two 60 watt interior incandescent lights "showcase" your food for better impulse sales
