

SERVING THE FOOD INDUSTRY SINCE 1951

VACUUM MEAT MARINATOR

ITEM: 41514 MODEL: MM-CN-0040

Compared to marinating meat the traditional way, model MM-CN-0040 meat marinator gives you better results in less time. During the operation, it's vacuum-seal roller keeps air out while locking flavor in the meat in a consistent speed. It features a maximum marinating time of 30 minutes. Perfect for restaurants, grill houses and catering companies.
