

# PURE NAPPY POWDER

## PRODUCT DESCRIPTION

- Pure Nappy Powder is not classified as a Dangerous Good by the criteria of the ADG Code.
- Pure Nappy Powder is not classified as Hazardous according to ASCC Criteria.
- Pure Nappy Powder is a White, Powdered Substance.
- Pure Nappy Powder has a Eucalyptus Fragrance.

## TYPICAL USES

- For use in commercial and household laundries where hygienic standards are required.
- Also for soaking of nappies or white clothing.

## PRODUCT HANDLING

### For Nappy Soaking:

- Add 1 level lid of Nappy Powder to 10L of warm water in a plastic container.
- This quantity is enough to soak 15 nappies.
- Remove excess soil from nappies and put them in the soaking solution.
- Allow nappies to soak for at least 2 hours.
- The Nappy Powder solution will remain active for 24 hours for your convenience to soak overnight.
- Rinse nappies in fresh water, spin and hand to dry.
- Dispose used soaking solution by dumping in the toilet. DO NOT use a second time.

### Normal Laundry Wash:

- Nappy Powder is safe on colours, but always test your garment by soaking a hidden part in the mix for 10 minutes and follow garment instructions.
- DO NOT soak silk or woollen garments.
- DO NOT mix colour garments with whites during soaking or washing.
- It is recommended to wash them separately.
- DO NOT mix with other detergents, bleaches or chemicals.
- 1 full lid is enough for a medium load wash. Add more in larger loads or in case of heavy soiling.

## SAFETY PRECAUTIONS

- As in handling any chemical, avoid contact with eyes and prolong contact with skin.
- Keep locked up and out of reach of children.
- In case of accident or if you feel unwell seek medical advice immediately.
- Poison Information Centre: 131126.
