

LAPCO FR™

Winter Wear Size Chart

Insulated Coats, Jackets, Bibs & Coveralls

- To find your jacket size, measure your chest.
- For insulated coverall sizing, use chest and inseam measurements.
- If your waist size is larger than your chest size, use your waist measurement to choose your size.
- To find your insulated bib overall size, use your waist and inseam measurements.

COATS, JACKETS, BIBS & COVERALLS SIZING									
ALPHA SIZES	SM	MED	LAR	XL	2XL	3XL	4XL	5XL	6XL
CHEST/WAIST MEASUREMENT	30-32"	34-36"	38-40"	42-44"	46-48"	50-52"	54-56"	58-60"	62-64"

INSEAM LENGTHS	
LENGTH	INSEAM MEASUREMENT
REG	30"
TAL	32"

NOTE:

When taking your measurements, use a cloth tape measure, not a metal one. Measurements should be taken over standard undergarments. **If you plan to wear clothing beneath your coveralls, choose a larger size, to accomodate the extra garments.**
