

EXPERT® SCORCH REMOVER

Effective Date: January 1, 2006

General Description:

Expert Scorch Remover instantly removes scorch and light burn marks from clothing. Burn marks occur in screen printing when the fabrics are cured at too high of a temperature. Scorch marks may also be caused by a high temperature iron. In either case, light scorch marks can be removed with Expert Scorch Remover.

Advantages:

- Use on all fabrics
- Quick Acting
- Non-Staining
- Easy to use.

Directions for Use:

Immediately after scorch, dampen area with Expert Scorch Remover. Do not saturate. Send material back through a warm dryer or press with a warm iron. Light marks will disappear from the fabric.

Packaging/Shipping Specifications:

Item No.	Package Size	Case Pack	Case Weight	Hazmat Information
1045	16 fl.oz. (.475 ltrs)	12 Containers	15 lbs.	Consumer Commodity ORM-D
1046	1-Gallon (3.8 liters)	4 Containers	38 lbs.	Oxidizer

Physical Properties:

Appearance: Clear colorless liquid

Solubility in Water: Yes

Odor: Odorless

Chemical Family: Peroxides

Environmental:

Volatile Organic Compound (VOC): No

Hazardous Air Pollutant (HAP): No

Ozone Depleting Substance: No

SARA 313 Chemicals: No
