APPLICATIONS

Commercial, Residential, Exterior, Interiors, Floors/Walls, Ideal for bathrooms, shower floors and walls and accent walls.

Natural stone is a product of nature. Any variations in texture, color and marking must be accepted. These characteristics are not material flaws, but signature of authenticity.

Product must be sealed with a quality natural stone sealer before and after grouting.

Allocate a 10% overage to account for design cuts and patterns.

Lay out all sheets to ensure optimal blending prior to installation.
