Just like your choices in fashion or friends, your pool design is a reflection of your personality. Reflections glass mosaics use color and texture to tell your design story. These float-glass tiles showcase a palette and style inspired by modern design—the clean, straight lines give you reason to pause and exhale. Choose the Natural finish for an elegant and tranquil look, and the Mixed finish for bolder expression with its blend of textured and smooth glass tiles. Your pool should reflect who you are, so find your reflection...and dive in.

NOTES

Since variations are common in artistic glass tile, we recommend final selection be made from an actual tile mock-up. To achieve optimal results in shading, layout and design, tile should be randomly selected from multiple boxes during installation. We recommend a minimum of 10% overage on all orders. On dimensional patterns, using a grout bag is the best method to target competent and successful grout application. Grout floats should not be used due to the luster glaze, please take care when grouting and protect surface from abrasion. **Installation constitutes acceptance.** We advise retaining control samples to aid in color matching if additional material is required (match not guaranteed).

TILE SHEETS ARE PAPER-FACE MOUNTED.
