

The Isy B. Fund - Micro Grant Application Guidelines

At Isy B., we are committed to the preservation of the Cayman Islands' natural beauty and resources. Through the Isy B. Fund, our aim is to support the work of local organizations and individuals in undertaking environmental and sustainability projects in the Cayman Islands. We invite eligible applicants whose initiatives are aligned with our mission to apply for micro grants from the Isy B. Fund.

Eligibility Criteria:

- **Geographical Focus and Mission Alignment:** Projects must primarily benefit the Cayman Islands and contribute to the local environmental and sustainability efforts.
- **Types of Projects:** We welcome applications from both established and grassroots organizations involved in a range of environmental and sustainability initiatives, including but not limited to conservation, waste reduction, sustainable practices, and community engagement.

How to Apply:

- **Contact Information:** Interested organizations can reach out to us by emailing customerservice@isybdesign.com.
- **Project Details:** In your email, share with us a detailed overview of your project. Include information about its goals, expected outcomes, timeline, and how it aligns with the Isy B. Fund's mission.
- **Funding Requirement:** Share with us your budget for the project and how much funding you will need overall. Maximum grant per project is \$500.

Selection Process:

- **Evaluation Criteria:** Applications will be assessed based on their project's alignment with our mission, potential impact, feasibility, and the organization's commitment to sustainability.
- **Decision and Notification:** Successful applicants will be notified and informed about the grant amount by email.

Post-Award Requirements:

- **Progress Updates:** Organizations receiving funds are expected to provide periodic progress updates on their projects, such as photos and videos from the process.

- **Final Results:** We expect recipients to share the final results and outcomes of their projects funded by the Isy B. Fund. This could include reports, pictures, videos or any tangible evidence of the positive impact achieved.
- **Testimonial:** We highly value the feedback and experiences of the organizations and individuals supported by the Isy B. Fund. After finishing the project funded by the Isy B. Fund, we encourage you to share your thoughts, experiences, and the impact your project has had on the local environment.
- **Recognition:** Isy B. reserves the right to feature successful projects. Your testimonials may be featured on our website, social media, or other promotional materials to inspire others and showcase the positive outcomes achieved through collaborative efforts.
