

FUNDATMENTALS FIRST BASKETBALL CLUB INC

Parents/Players,

I'd like to welcome you and your family to Fundamentals First Basketball Club and to the upcoming AAU season. I've been working toward this for some time now. It pleases me to see it finally coming to fruition. I am looking forward to getting to know each and every one of you.

For this new season I want to take care of the paperwork of the players to ensure that they and our program are AAU certified for the 2017-18 AAU calendar year.

We need the following by May 10, 2017

1. Copy of Birth Certificate
2. Completed Medical Release Form – **URGENT**

As everything starts to fall into place, FFBC along with your help will start fundraisers and your child will be involved with academic tutoring, feeding the homeless, cleaning the community and fundraising to learn entrepreneur skills. The purpose for the fundraisers is to generate money to cut FFBC's AAU expenses. I hope that if anyone has ideas and would like to spearhead a fundraising event to please let me know. All ideas are welcome! Feel free to contact me at Wesley_23@msn.com. I'd love for everyone to be in full participation. There will also be a meeting scheduled for FFBC and all of you as parents to discuss possible ways to fundraise and obtain donations from corporations to assist FFBC in cultivating your child. Please be aware that the \$618.00 AAU donation registers your child for the AAU practices and tournaments from May 30, 2017 to August 12, 2017. This fee must be donated ASAP so we can register your child. You have until April 29, 2017 to donate your AAU fee for your child.

Sincerely,

Fundamentals First Basketball Club

CEO/Founder
