The 40 best natural beauty products

Forget face scrubs made from wheat germ mixed with water. Detoxing your beauty regime is much more fun - and effective - these days

HAIRCARE

Be Gifted Shampoo by Hippy and the Holistics

A wonderfully fragrant shampoo that leaves hair beautifully soft and manageable, and in the best condition to style. It's gentle enough for everyday use. £22, from taylorlondon.com

Boost, Volumising Styling Mist by Tela Hair Organics

This styling product, which contains no resins or silicones, doesn't weigh down fine hair yet maintains volume - perfect just before a blow-dry. It is best used on towel-dried hair. £28, from cultbeauty.co.uk
