

# 10 Healthy Hair Products We Love

by Jennifer Ash | June 3, 2014

Give your tresses some special treatment by indulging in 10 good-for-you haircare staples we trust. Whether you're eco-conscious or strive to find a formula that will dose your strands with shine and hydration minus any harsh chemicals, this helping of healthy hair products has you covered. If you're as obsessed with natural beauty as much as we are, keep checking back all week for more roundups of the organic and chemical-free products we love most!

## SPF Protectant

Why we trust it: Tela products are made from sustainable ingredients.

SPF 18 Sun Protection for Hair and Scalp, Tela Beauty Organics \$32
