

THIS MONTH WE WILL

WAYS TO SPEND MORE TIME DOING THE THINGS
YOU LOVE WITH THE PEOPLE YOU LOVE

THIS MONTH WE WILL

A couple of years ago I was at a conference and one of the ladies there was explaining that they never got time to spend as a family. Sure they were together on weekends but they never actually got to do "fun things" or they always said that they would "get around to it" but never did.

This had me thinking - life is chaotic, but you are only given one chance. When you have children you get 18 summers before they are off into the world for university or to live their own lives. So why not make the best of now?

This is where "This month we will" came from. At the start of the year, our family sits down and we all pick something that we would like to do - this could be simple things like a picnic by the lake, or a day trip to the coast, a bushwalk for the day, a family movie, pizza and popcorn night or learning to surf.

The possibilities are endless. Everyone gets to select something (you can set limits such as distance or budget) and then you pop each of these activities in a separate envelope.

At the start of each month, you pick one of the envelopes and this is the activity that you will do together as a family, sometime during this month.

It's the perfect way to all spend time as a family, bonding, spending time together and possibly even learning a new skill. It's these core memories that children especially will always remember.

This activity works for couples, parents or even grandparents with their grand children.

So what are you waiting for? We have the print out on the next page for you to start your "this month we will" journey.

We hope that you have a wonderful 2024 and we can't wait to see what adventures you and your loved ones get up to this year! Don't forget to tag us @belleandgraceboutique so we can share your journey with you!

Lots of love -
