

DATA SHEET

PROBAC TOILET CLEANER

PROBAC® probiotics actively biodegrades organic dirt in the process of cleaning while also offering the unique benefit of on-going deep cleaning and odour control at a microscopic level. PROBAC® mimics the natural process of biodegradation, establishing healthy bio-stability in your home, while cleaning and combating bad germs in a safe and sustainable manner.

PROBIOTIC ENRICHED FOR THE ULTIMATE GREEN

PROBAC® Toilet Cleaner is of the highest quality, formulated using purely plant based ingredients and application specific PROBIOTICS. This high concentrate performance product is designed for deep cleaning and odour control of toilets and urinal, specifically in high density ablution facilities and makes cleaning a breeze while being safer for your health and good for the environment. 100% plant based readily biodegradable ingredients / Power packed with PROBIOTICS / High performance / No chemical residues / Gentle on skin and surfaces / Non-allergenic / Safe for septic and grey water tanks / Safe for aquatic species / No animal testing on finished product.

PROBAC Toilet Cleaner incorporates:

- A proprietary surfactant package for lifting dirt off Surfaces
- A novel biological formulation for *in situ* biodegradation of organic dirt
- A unique chemistry for binding odour molecules with unmatched odour control

BENEFITS

- Concentrated formula: In Use concentrate. Can be diluted 1 part concentrate to 1 part water (50%) for light duty cleaning
- Environmental benefits: - Replaces the utilization of harmful, toxic and hazardous chemicals. Inhibits relocation of dirt and chemicals to wastewater and environment
- Human health benefits: - No hazardous chemicals in the home and workplace. Non allergenic. Non skin sensitizing.
- Sustainable microbial stability.
- Safe and easy to use

FEATURES

- Non-toxic, non-corrosive, non-allergenic
- 100% Biodegradable
- No phosphates, no nonylphenols
- Contains no VOC's (volatile organic compounds)
- pH Neutral composition – no acids or caustics
