⚠ CAUTION!

Keep monitor and laptop base fully on the desktop.

Follow the cable routing instructions to avoid the potential to pinch cables.

Leave enough slack in cable to allow for full range of vertical motion (15" / 38 cm).

Raise desktop slowly to keep items stable.

Failure to follow these instructions may result in property damage and/or personal injury.

If any parts are received damaged or defective, please contact us. We are happy to replace parts to ensure you have a fully functioning product.
