

Gator[®] SpeedLoad[™]

Trimmer Head & Line System

RELOADING, REDEFINED.

Gator® SpeedLoad™

Revolutionizing the way you reload trimmer line.

With a unique disk that simply pops into place, you can replace trimmer line in as little as 20 seconds. The innovative tongue-and-groove disk not only loads quickly, but it also lasts up to twice as long as the typical line. Which means you'll spend more time on the job and less time reloading line. **It's reloading, redefined.**

Load Time

Longer Life

Field-Tested by Pros
