NON-TOXIC CLEANER AND PET ODOR NEUTRALIZER IN ONE

Oxyfresh Cage & Crate Cleaner doesn't just smear pesky little problems into big messes – it cleans them away like magic. Odors and pet poo are no match for our powerful formula.

From small animal cages or habitats, bird cages, dog crates or kennels, you need a powerful and safe pet cleaner. We've carefully crafted our no bleach cleaner to be safe for even the most sensitive little immune systems. And, it's super easy to use.

Just spray and wipe away – no rinsing! Plus, we've infused our formula with the deodorizing power of Oxygene® to quickly get rid of all those unwanted odors, while gently cleaning away stuck-on poo and grime.

- Yes! Bye-Bye Scrubbing** – Our wipe off non-toxic Pet Cage Cleaner is so easy, just spray and wipe away. We don't use harmful dyes, overpowering perfumes, or harsh chemicals.
- Quickly Eliminates Odor** – Just spray and say goodbye to urine, poop, and any other cage and kennel odors with a fast-acting, cage cleaner and deodorizer you can trust.
- Safe, Non-Toxic Formula** – Gentle and tough. Our safe formula is bleach-free, alcohol-free, dye-free, fragrance-free and cruelty-free... you still have to buy it though; it's not like free, free.
- Unscented** – No harsh, dangerous chemicals here – just a safe, scent-free, powerful formula you can always trust.
