## BATH TIME JUST GOT BETTER

No bones about it – it’s the best shampoo from head to tail.

Our incredible Pet Shampoo is definitely Best In Show. We designed our unique formula to support and soothe pets’ delicate skin, as this is the key to overall pet health. Healthy skin is crucial to a pet’s natural defense against shedding, itchiness, dryness and odor.

Pet Shampoo cleans and conditions without harsh fragrances, alcohol or other strong chemicals that can cause irritation like other brands.

Our light citrus, pH balanced Pet Shampoo formula with Oxygene® has only safe, gentle ingredients to give pets shiny, fresh and beautiful coats while helping to naturally safeguard against fleas and ticks.

- Eliminates Pet Odors** – We don’t just mask odors; we eliminate them with our exclusive ingredient Oxygene®.
- Solves the Toughest Odors** – Clean pets are happy pets, and our gentle, proprietary formula is unrivaled in neutralizing pet odors, including pesky skunk odor.
- Shinier Coat** – Tough on dirt, but not on their coats! Formulated with essential oil and amino acids for an easy-to-brush coat that feels fresh and soft.
- Soothes Skin** – Advanced conditioning formula will make pets feel truly pampered. Free of harsh chemicals and fragrances that may irritate delicate skin.
- Helps Deter Fleas and Ticks** – Our light citrus peel essential oil naturally assists in safeguarding pets against fleas and ticks.
