SAY GOODBYE TO PLAQUE AND TARTAR

Easy peasy, on-the-go fresh breath solution. Spray directly onto pet's gum line to reduce plaque, bacteria and bad breath. This incredible formula also helps prevent periodontal disease and gingivitis.

Pet Dental Spray is a must-have to boost overall oral care, adding years to a pet's life. Unlike other brands, it's free from harmful ingredients like clove oil, green tea, alcohol and other harsh chemicals. Plus, it's completely tasteless and odorless!

We don't just mask odors ... our patented blend of Oxygene® and zinc eliminates bacteria at the source. This convenient spray gently and effectively cleans the gums, promoting healthy tissue and a clean smile. Say goodbye to brushing.

- All-Day Pet Fresh Breath** – Finally say goodbye to pet bad breath with our fast-acting, patented formula of Oxygene® and zinc. We don't just mask bad pet breath; we safely neutralize it at the source.
- Clean Teeth and Gums** – The easiest way to clean pets' teeth, help protect against periodontal disease and strengthen gum tissue.
- Safe for Cats and Dogs** – The safest way to stop pet bad breath with no harsh chemicals, additives, xylitol, mints, tea tree oil, clove oil, alcohol or masking agents. We use only 100% non-toxic ingredients that matter to pets' dental health.
- Pets Love It Because It's Tasteless and Odorless** – Our Pet Dental Spray is unflavored so even the pickiest pets won't mind it.

BRAGGING RIGHTS

I Love This Spray

"Oxyfresh Pet Dental Spray is magical. My Pomchi used to have terrible breath and since using this, it has vanished."

Kaley B. - Spokane Valley, WA

No More Bad Kitty Breath

"My cats' teeth are very healthy and we always get good reports from our veterinarian, thanks to this product."

Vernon B. - Nottingham, MD

I Highly Recommend It

"My dog's breath is so much better with this convenient spray. It really helps that she doesn't mind using it."

Kenna S. - Coeur d'Alene, ID
