Unrivaled Soothing & Healing Benefits

Oxyfresh's fast-acting dental gels are a favorite among dental surgeons for their unsurpassed soothing and healing-relief benefits. These exclusive formulas are safe for the entire family and perfect for anyone who suffers from dry mouth, chronic bad breath (halitosis), periodontal disease, canker sores, irritated tissues, burns, or sensitive teeth and gums.

Our unique gel formulas contain a therapeutic blend of ingredients, including aloe vera, chamomile and essential mint oil to soothe and hydrate the tissues. Plus, they feature our secret ingredient Oxygene® to quickly neutralize bacteria and bad breath.
