ULTIMATE — FINISHES

SHINY POLISHED SURFACE

High-gloss finish featuring a naturally buffed, mirror-like surface, identical if not more superior than natural polished stone.

SHINY POLISHED

MATTE POLISHED SURFACE

A moderately shiny honed surface, exuding a subtle, refined look.

MATTE POLISHED

MATTE SURFACE

A natural, non-polished surface that absorbs light, achieving a very consistent color and tone transition.

MATTE

MATTE STRUCTURED SURFACE

A slightly textured surface. Emulating the authentic characteristics of natural stone.

MATTE STRUCTURED
