

Announcing NEW Blink Security™ Systems and Components Coming Q2 of 2017

4G CELLULAR CONNECTION WITH BATTERY BACKUP FOR WIFI, INTERNET, AND POWER OUTAGE PROTECTION

24/7 PROFESSIONAL MONITORING SERVICE OPTION

SUPPORTS UP TO 10 CAMERAS WITH NO PER-CAMERA MONTHLY FEE

Blink Camera (\$75) Affordable and wire-free, Blink records HD video when motion is detected and lets you stream live to your smartphone.

Blink XT Camera (\$119) Everything you love about Blink plus a weatherproof design, 1080p HD video, and IR night vision.

4G Cellular Sync Module with Battery Backup for Data & Video (\$100) Operates with or without WiFi, internet or power. No separate cellular plan required.

Siren (\$50) Emits 105 decibels when triggered manually or by motion.

Entry Sensor (\$25) With multiple vulnerable entry points throughout the home, these offer an affordable way to secure every entrance.

Keypad (\$35) Allow trusted family, friends, and neighbors to securely arm and disarm your Blink Security™ system.

Water Sensor (\$25) Be instantly alerted of any leaks or flooding to help protect against the leading home insurance claim, water damage. Can be added to either kit below for \$25.

Seecurity™ \$339 Starter Kit

1 Blink Camera - 1 Blink XT Camera - 1 4G Cellular Sync Module - 1 Siren - 2 Entry Sensors - 1 Keypad

Seecurity™ \$149 Upgrade Kit

1 4G Cellular Sync Module - 1 Siren - 2 Entry Sensors - 1 Keypad

Seecurity™ (sēkyoōrədē) n. - Philosophy in which the ability to see, and therefore know, exactly what is happening at home at all times and from anywhere is vital to achieving true home security and peace of mind. Created and practiced exclusively by Blink.
