

Product information | TECHNICAL DATA SHEET

Street Markers Paint

GENERAL DESCRIPTION

Due to its solvent base, this 15 mm gloss paint marker is very fast-drying and has strong adherence just like spray paint.

FEATURES

- Very fast drying.
- Gloss finish.
- Excelente nivelación.
- Facilidad de aplicación y buena fluidez.
- Buen endurecimiento.
- Does not contain lead nor other heavy metals.
- Buena opacidad.
- Elevada resistencia a la intemperie.
- Durabilidad del color.
- Buena resistencia a los U.V.

INSTRUCTIONS FOR USE

- Shake well before use.
- Slightly tighten the body of Marker to soak the tip.
- Close the Dabber lid well in order to extend the tip's durability and in the case of it becoming unusable, replacement tips available.
- Once used, pay special attention when opening and closing the lid, and when carrying in your pockets as it may stain your clothes.
- Request material safety data sheet.
