SPECTRAL. Semi-transparent colors for creating special effects and relief effects.
400 ml, 10.6 Oz, 300 g.

GENERAL DESCRIPTION

Very low opacity acrylic paint formulated to create shadows and three-dimensional effects in the fields of graffiti, mural painting, and fine arts.

FEATURES

- Fast drying.
- Good adherence.
- No yellowing.
- Does not contain lead nor other heavy metals.
- Color durability.
- Easy to apply and repaint.
- Matte finish.
- It may also be considered a tinted varnish.

INSTRUCTIONS FOR USE

- Shake the aerosol well before using, approximately for one minute after hearing the sound of the mixer.
- For best results apply in thin layers. Three thin layers are always better than one thick one, and may be repainted within five minutes with the same paint.
- Turn the aerosol upside down to clean out the valve after use.
If the nozzle becomes blocked replace it with a new one.
- Never apply to equipment that is plugged in and use in well ventilated areas.
- Request safety datasheets.
