INDUSTRIAL FLOOR SIGNS

Usage Guide and Material

These high visibility graphic floor signs provide a constant reminder to your employees about important Workplace Hazard, Safety Requirement and General Notice information details.

Constructed from a high quality adhesive vinyl, we laminate a thick textured vinyl to these signs for added durability as well as slip resistance. The sub-surface printed images provide extended durability and will stand up to heavy pedestrian traffic. The aggressive adhesive will adhere to most smooth, clean and dry floors, including concrete surfaces.

Installation & Care

Our Floor Signs are printed in high resolution, full colour on an industrial grade vinyl covered with an extra-durable, slip resistant over-laminate protection. These signs are low-profile and designed to hold up in extreme industrial conditions and will withstand even heavy forklift traffic.

We offer a wide variety of useful pre-made Floor Signs, any of which can be customized or we can design a sign from scratch to your specifications.

Electrical

Clearly identify electrical panels, high voltage areas, emergency cut off breakers and electrical rooms.

Equipment

✓ Remind employees where important equipment belongs and doesn't belong, such as forklifts, forklifts, handjacks, floor jacks and more.

Exit Arrows

✓ Clearly outline the exit path for employees during any emergency.

Facility

✓ Make sure that employees know to keep off certain aisles and follow speed limits while driving workplace equipment.

Fire Safety

✓ Clearly identify fire extinguishers, fire exits, fire doors and more in case of emergency.

First Aid

✓ Direct employees to various emergency locations such as first aid rooms, emergency eye wash and shower wash stations, and more.

Hazard

✓ Protect employees from workplace related injury by clearly displaying safety hazards such as wet floors, tripping hazards and more.

Manufacturing Process

✓ Remind employees where designated materials and tools belong, as to never mis-place or lose said materials/tools every again.

PPE

✓ Inform employees of precautionary methods of injury prevention by using personal protective equipment.

Receptical

✓ Keep your workplace clean by clearly identifying the correct areas employees can use to recycle and dispose of materials and more.

Stop

✓ Ensure that your employees stay safe and are aware of any potential dangers that might be around the corner.

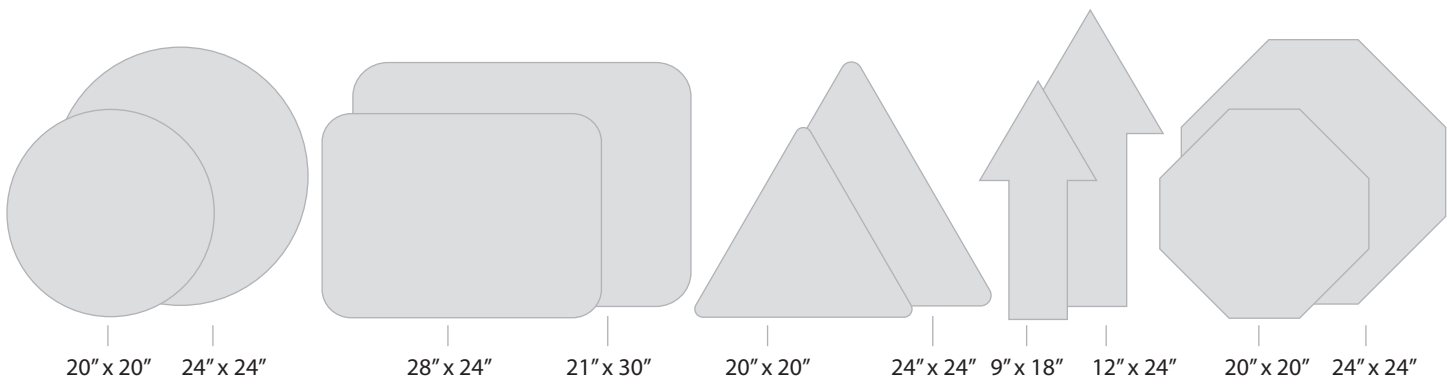

Yield

✓ Ensure that your employees stay safe and are aware of any potential dangers that might be around the corner.

V Vinyl

Our Floor Signs are printed in high resolution, full colour on an industrial grade vinyl covered with an extra-durable, slip resistant over-laminate protection. These signs are low-profile and designed to hold up in extreme industrial conditions and will withstand even heavy forklift traffic.

Safety Floor Sign Sizes
