Juist your way to great health

Mango Lassi

- 1 ripe mango
- 1 tsp honey
- 1 lime
- 100ml natural yogurt
- Simple syrup (water-sugar mix) and ice-cubes

Cut mangoes into cubes and place in **JUIST**. Blend. Using a strainer, squeeze lime juice over the mixture. Add yogurt, honey and simple syrup according to personal preference. Serve with ice cubes.

JUIST can process all kinds of fruits with soft and juicy texture.

Prep easier with the right tools

- Ideal for mixing dough and batter.
- Easily scrapes out the last drop of heavy cream from the bowl.

- Useful in smaller diameter openings and will help to get the most out of any bottle or jar.
- Fit openings of at least 2.5cm.
- Long handle and narrow head to reach into difficult spaces.

- Made from high quality, long lasting materials.
- Open CAN and removes lids without leaving sharp edges.
- CAN lids removed without hands touching the CAN edge, lid or contents.
- No sharp blades, no risk of injury.

- 3 interchangeable grating inserts.
- Easy & safe to use, with finger guard.

KPTools Small Ladle

- It is the ideal capacity for serving soups, sauces, hot vegetables, stew.
- This edge is sharp to ensure it reaches the bottom of a pan or a casserole as well as the edges very easily.
- The front edge is flattened so that scooping at the bottom is easy. It is also helpful while removing excess liquid from the scoop in applying it against the sides of the casserole before serving.

KPTools Simple Spoon

- Ideal for mixing ingredients or when serving small quantities of food or sauce.
- Spoon's rounded edge is perfect for stirring food in casseroles or bowls or even when tasting.

To open, just press down center and lift lid. To close, press down the center.

To seal: Press and slide on the groove over the container rim with your thumbs.

Canisters fit snugly inside one another to save space.

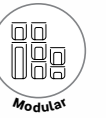

Lift tab slightly to expel air, then close the seal. This helps food to stay fresh.

Keep your bites in crispy

Great feasts start with quality water

Clean water enhances the taste of your food. With the Nano Nature Water Filtration System that purifies and enhances your drinking water by removing heavy metals, bacteria, chlorine and many other contaminants harmful to health – impress your guests with food that taste even better than it already is!

Great for cleaning

1 Wash and cook with clean, filtered water to ensure food does not absorb chemicals in water.

Enjoy cleaner produce

2 Veges and fruits are cleaner as surface residue is washed away without worries.

Drinks are more flavorful

3 The taste of coffee and tea are enhanced, as it is not tainted with impurities.

A great healthy beverage

4 Nano Nature filtered water is also great for making herb and fruit infused water.
