

EC DECLARATION OF CONFORMITY

Decoflame ApS

Stenholm 14, 9400 Nørresundby, Denmark

We declare that our product:
decoflame® Bioethanol Fireplaces, identified as

Product family: decoflame® Fireplaces

Product type: e-Ribbon Fire

2004/108/EC EMC Directive 2004/108/EC of the European Parliament and of the Council of 15 December 2004 on the approximation of the laws of the Member States relating to electromagnetic compatibility and repealing Directive 89/336/EEC .

2006/95/WE LVD [Directive 2006/95/EC](#) of the European Parliament and of the Council of 12 December 2006 on the harmonisation of the laws of Member States relating to Electrical Equipment designed for use within certain voltage limits
OJ L 374 of 27 December 2006.

And fulfills the requirements of the following standards and harmonised standards:

Directive EMC The EMC Directive limits electromagnetic emissions of equipment in order to ensure that, when used as intended, such equipment does not disturb radio and telecommunication as well as other equipment. The Directive also governs the immunity of such equipment to interference and seeks to ensure that this equipment is not disturbed by radio emissions when used as intended. In order to market your electrical device within the member states of the European Union, your product must comply with harmonized standards (such as EN 55022 and EN 55024 for Information Technology Equipment).

Directive 73/23/EEC Council Directive of 19 February 1973 on the harmonisation of the laws of Member States relating to Electrical Equipment designed for use within certain voltage limits - OJ L 77 of 26 March 1973.

This declaration of conformity has been issued based on positive results of tests.

The document along with technical documentation forms a basis for labelling the product with the mark **CE**
