How To Use: How to charge your phone

Please note:

Your phone must have the built-in wireless charging function (Qi-enabled) available to charge.

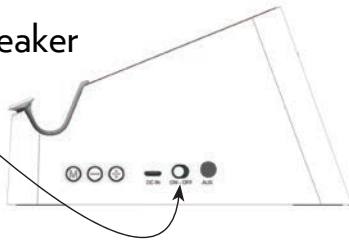

1. Using the provided cable, connect the Micro USB end to the "DC IN" insert of the device.
2. Connect the USB end to any charging port.

3. Place your cell phone on top of the base to begin to charge your phone.

How To Use: Bluetooth Speaker

1. Turn ON the bluetooth speaker.

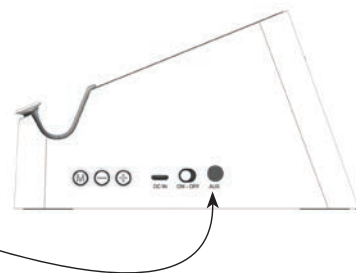

2. Go to your phone settings and turn ON the bluetooth function on your phone.
3. Follow the phone's instructions to find the Bluetooth device listed as "M22/M22W"
4. Begin to play your favorite music playlist or podcasts. :)

Please note: There is a small charging indicator light next to the "DC IN" input. When blue, it indicates that the unit is charged. If red, please charge by connecting the unit to a charging port using the USB cord. Having the unit charged will improve the sound quality of the speaker.
